"r" AND "h"

Two important symbols are used in your City Directory. The symbol "r," before an address stands for "Resident." That person resides at that address but is not the head of the family or family head. The symbol "h" stands for "Householder"—the person in whose name the home is occupied.

INTRODUCTION

and GENERAL INDEX

Might Directories, publishers, present to subscribers and the general public, this, the latest edition of the Metropolitan Toronto City Directory.

Confidence in the growth of Metropolitan Toronto's industry, population and wealth, and in the advancement of its civic and social activities, will be maintained as sections of this Directory are consulted, for the Directory is a mirror truly reflecting Metropolitan Toronto to the world.

The enviable position occupied by Might Directories in the estimation of the public throughout the country, has been established by rendering the best in Directory service. With an unrivaled organization, and having had the courteous and hearty co-operation of the business and professional men and residents, the publishers feel that the result of their labors will meet with the approval of every user, and that the Metropolitan Toronto Directory will fulfill its mission as a source of authentic information pertaining to the city.

THREE MAJOR DEPARTMENTS

The three major departments are arranged in the following order:—

I. THE BUYERS' GUIDE constitutes the first major department of the Directory, printed on yellow paper, it represents reference advertising at its best, and merits the attention of all buyers and sellers seeking sources of supply or markets for goods. This section also contains a special Classified Business Directory which lists the names of the more progressive firms and individuals arranged in alphabetical order under appropriate classified headings to further emphasize their products or services.

II. THE ALPHABETICAL LIST OF NAMES of residents and business and professional concerns is the second major department printed on white paper. This Directory aims to show the name, marital status, occupation and address of each adult resident of Metropolitan Toronto and the name, official personnel, nature and address of each firm and corporation.

III. THE DIRECTORY OF HOUSEHOLDERS, INCLUDING STREET AND AVENUE GUIDE, on green paper, is the third major department. In this section the streets are arranged in alphabetical order; the numbers of the residences and business concerns are arranged in numerical order under the name of each street, and the names of householders and concerns are placed opposite the numbers. The names of the intersecting streets appear at their respective crossing points on each street. Special features of this section are the designation of owner occupied homes and the designation of telephone numbers following the name of the householder and/or firm as furnished us on our canvass.

MUNICIPAL PUBLICITY

The Directory reflects the achievements and ambitions of the city, depicting in unbiased terms what it has to offer as a place of residence, as a business location, as a manufacturing site and as an educational centre. To broadcast this information, the publishers have placed copies of this issue of the Directory in Directory Libraries, where they are readily available for free public reference, and serve as perpetual and reliable advertisements of Metropolitan Toronto.

Respectfully, The Publishers

MUNICIPAL GOVERNMENT IN METROPOLITAN TORONTO

This article deals with the relationship between local (area) governments within Metropolitan Toronto and the Metropolitan Toronto Corporation, and in particular the extent to which powers are vested in each: The Metropolitan Council and the local Councils.

Based on the recommendations of the Ontario Municipal Board, under the chairmanship of Lorne R. Cumming, Q.C., in 1953 the Ontario Legislature enacted the Municipality of Metropolitan Toronto Act, which constituted "the inhabitants of the Metropolitan Area as a body corporate under the name of the Municipality of Metropolitan Toronto". Thus a separate corporate municipal entity was created with specific powers. It was a federation of the 13 existing municipalities: the Townships of North York, Scarborough, Etobicoke, York and East York; the Towns of Leaside, Mimico, New Toronto, and Weston; the Villages of Long Branch, Forest Hill and Swansea, and the City of Toronto.

The 13 local Municipalities continued to exist as autonomous municipal entities retaining considerable powers and responsibilities. In those early years, of the 24 members of the Metropolitan Council, the City of Toronto had 12, and the suburbs collectively had 12, each represented only by its Chief Executive Officer (Major or Reeve). An essential characteristic of the Metropolitan system is that members are not elected directly to Council but become members of the Metropolitan Council by virtue of election to office in their local municipalities. Members must be responsible to and responsive to both the local and metropolitan citizens.

During the first ten years of its existence Metropolitan Toronto's achievements were considerable, but disparities and inequities became evident, and particularly in two areas; financially and in representation on the Metropolitan Council as the major growth was occurring in the larger suburbs. The only major change in responsibility was in 1957 when the 13 local Police Departments were amalgamated to become the Metropolitan Toronto Police Department.

In 1963 the Provincial Government appointed Dr. H. Carl Goldenberg, O.B.E., Q.C., as a Royal Commission to make an assessment of the Metropolitan government and report thereon. Submitted to the Cabinet in June 1965, the Report contained a number of important and far-reaching recommendations. Some were accepted, others adapted. The result was the first major change in the organization and the degree of responsibility of the Metropolitan Toronto Council, embodied in a major amendment (Bill 81) to the Metropolitan Toronto Act in 1966.

Effective January 1, 1967, the Municipality of Metropolitan Toronto was reconstituted from the 13 original municipalities to the present 6: the Boroughs of North York, Scarborough, Etobicoke, York and East York and the City of Toronto. Reorganization of the Metropolitan Council, on a more equitable basis of representation by population, increased the total number from 25 to 33, including the Chairman of Council. Collectively the Boroughs had 20 members, the City of Toronto's remained at 12. The Metropolitan School Board was similarly reorganized. Given extensive new powers the most important relate to schools and social services. The Metropolitan School Board now has the responsibility for financing school construction and operation through the establishment of a Metro-wide tax rate eliminating previous disparities. The Metropolitan Corporation took over full

responsibility for social services, also waste disposal, financing regional libraries etc.

By 1973 it was obvious that "Rep by Pop" was again out of line as major growth continued in the larger Boroughs with population of the City of Toronto remaining relatively constant. In 1974 the Metropolitan Council sought and received an amendment to the Metro Act to effect a change in representation, effective January 1, 1975: City of Toronto - 12; North York - 9; Scarborough - 6; Etobicoke - 5; York - 3 and East York - 2, plus the Chairman of Council, for a total of 38.

A major change was made for the first time in the composition of the Metropolitan Executive Committee, again reflecting the population growth in the large Boroughs: City of Toronto - 4; North York - 3; Scarborough - 2; Etobicoke - 2; York - 1; East York - 1, plus the Chairman of Council who presides, a total of 14.

A change in organization occurred with the dissolution in December 1974 of the Metropolitan Toronto Planning Board. Planning became a Department of the Metropolitan Corporation.

THE FEDERATION IS A PARTNERSHIP

Municipal services are identified as local, Metropolitan or shared in proportion to the extent of involvement of each level of municipal government.

The Metropolitan Council has jurisdiction over matters of common concern to all six municipalities. The Metro government is a partnership formed to provide at wholesale those public works and services which each area municipality could not adequately provide for itself alone: solutions to problems which are metropolitan-wide, or regional, in scope.

METROPOLITAN RESPONSIBILITIES

ADVERTISING COUNSEL AND SERVICE

Need a heading in a hurry? Most creative types reach for the rub down lettering processes. But now you have a choice.

Pay from $5 to $6 for a sheet of letters to transfer onto paper (and sometimes another sheet or caps in the same face), bore yourself or a member of your staff to tears for an hour or so, and end up with a page full of consonants that you'll never use.

Or let Word for Word Inc. set your heads overnight for $1.50 per word. No fuss, no muss and you get photo headings with esthetic kerning from our library of over 2,000 type styles plus signs, symbols, borders and ornaments. Sizes range from 18 to 144 point in most type faces.

photo headings

$1.50 per word

A minimum charge of $12.00 gives you five words in the same face (or five different faces if you want) on two-inch paper strips, waxed or unwaxed, ready for assembly. And you get first generation type so there won't be any loss of definition if you have to adjust the size later on.

Small orders can be phoned in. (It's as easy as ordering a pizza.) Mail orders accepted when accompanied by a purchase order (minimum postage and handling charge $1.00).

Write or call for our free one line catalogue of over 2,000 type styles. And the next time you have a head to set, call us. We'll set it right for you . . . word for word.

ORANGE
Who needs it?

Who needs patriotism? Or faith? Or a sense of loyalty? Who needs dignity? A sense of responsibility? Civil and religious freedom? Who needs The Glory of God, the Welfare of Man, the Honour of The Sovereign, and the Good of our Country? You do! We all do. And that's why we all need Orangeism!

AN ANCIENT AND HONOURABLE ASSOCIATION

Orangeism—simply stated—is organized Protestantism. It was founded in Canada early in 1800. But goes back to 1689 when the Throne of England became Protestant—which it remains to this day. Ancient? Of course! Honourable? Well, if a sincere and dedicated fraternity have remained together all these years in common religious, militant, political and fraternal bonds, then honourable we are. And proud we are of it!

A FRATERNAL ORGANIZATION

We like to think we're a family—practising love and mutual support of brotherhood within the Order. An Orange man or woman has a friend wherever he or she travels.

PRESERVES AND DEFENDS THE LAW

The Loyal Orange Association does not make its own laws. We profess our loyalty to the Crown and to maintain the laws and constitution of Canada. We promote an open Bible, absolute religious freedom, and the widest measure of civil liberty.

RESPECT FOR MANKIND

The Christian way is a way of charity and assistance to those who are needy and oppressed. It's a way of friendliness and brotherly love. It's honesty and tolerance. To be of The Orange Order, one must believe in and practice Christianity.

OUR VOICE IS HEARD

To be of The Orange Order also means to be concerned with problems of language rights and threatened educational systems; with the preservation of the Monarchy; with republicanism inroads and with attempts to bring discredit upon our Canadian-British heritage. And to be concerned about any deterioration of Christian ideals. So, we raise our voices in social and political and religious arenas around the world. And we are heard!

LIFE INSURANCE SYSTEM PLANS FOR THE FUTURE

Orange Insurance, otherwise known as The Grand Orange Lodge of British America Benefit Fund, is available to all members of the Order, and their spouses and dependent children. It began in 1881, and has since grown into a contemporary insurance system including Growth Plans for minors, and Family Plans providing one-policy protection at a low rate. And since policyholders share in the profits, Orange Insurance has credited their policies with over two million dollars of bonus additions in the last ten years! Truly a "fraternal" insurance system!

CABLE TELEVISION

Why most people have cable

Scarboro Cable TV / FM was established to provide you with quality television reception and a wide selection of channels to choose from; since 1970, both quality and selection have been getting better and better. Now, the best of television can be yours — with cable.

Selection

- 21 channels (11 basic, 10 converter)
- Approximately 100,000 program hours per year
- Almost 500 programs per day
- Channels from: Toronto, Barrie, Hamilton, Peterborough, Buffalo, Rochester
- Scarboro Community channel
- Scarboro Multicultural channel
- Scarboro Consumer channel
- Scarboro Children's channel

SCARBORO CABLE TV/FM

Unit 33 705 Progress Avenue
Scarborough Ontario Canada
M1H 2X2

If you want quality reception and great selection, you want the best of television — cable. **Call 438-6370 today.**

MORE

Our converter helps your existing tuner pull out all the channels that cable delivers. You will receive nine (9) additional channels plus a duplicate channel 7 Buffalo (improved)

BETTER

The converter significantly reduces "ghosting" which is the result of tv signals hitting the back of your tv set

The converter amplifies signals to give you an even brighter picture.

SAVE

When you have a converter, you set your tuner on channel 3 and leave it there. This saves wear, which in turn eliminates tuning problems and costly repairs

ASK

For a free home demonstration of our converter — without obligation, **call us at 438-6370.**

FASHION INSTITUTE

ELLEN PETERSON FASHION INSTITUTE

ABOUT ELLEN PETERSON:

Originally from Estonia, Ellen is the third generation of her family to be in haute couture.

Her designs were shown with those of Jacques Fath, Christian Dior (they called her Germany's Dior). She has also won numerous awards for her outstanding creations.

Upon arriving in Toronto in 1952, she began her own studio, carrying on as couturiere to many of Toronto's most fashionable ladies.

Over the years Ellen has co-ordinated twenty five Fashion Shows on behalf of many charitable organizations for Ethnic Groups. Her creations were the highlight of shows for the Cancer Society for three consecutive years.

She began her School of Fashion and Design in 1970. Her teaching is unique in Canada, in that her students are able, after very few lessons, to draft, cut, and fit a pattern for any figure.

Her school was one of the first in Canada to teach in the Metric System, and she demands meticulous workmanship.

The School's Motto is: Per Aspera as Astra.

—●—

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

ORANGE

"It's more than beautiful!"

"It's family! A great big Christian family with charitable interests ranging from homes for children, the aged, to all kinds of medical and social commitments. It's family life insurance plans—in which policyholders are the shareholders. It's something for the whole family to be a part of. The Loyal Orange Association is more than beautiful—it's people helping people!"

"I'm just one voice. But I believe in absolute religious freedom and civil liberty. I believe in my Country—Canada! A united Canada. And I know that for my voice to be heard, it must be joined with others who believe as I do. Orangeism gives my voice more power than it's ever had before!"

"Christian ideals...protection for the future ... preserving our language and our schools ... respect for the Queen and for our Country and for each other — that's what Orangeism is all about. And it's more than beautiful!"

Out of Sight!

Out of Mind!

Out of Business!

The importance of keeping firm and product names in the public eye is recognized by all business men. It is astonishing to see how a firm or product, however meritorious, will slip into the limbo of the forgotten if not persistently advertised.

The City Directory is the natural medium for keeping a business or product name in the spotlight. Insist on being well represented in its pages.
